PURPOSE

The purpose of Element Education, Inc. (EEI) is to develop and operate charter schools which create avenues for "new instruction, new management, and new governance in public schools." The organization operates from a place of Servant Leadership in supporting the elements of personalized learning.

VISION

The vision of EEI is to create model programs for deep and meaningful learning and attract and develop innovative and effective educators who instill the mindset and skills for developing agency in, and ownership of, life-long learning.

MISSION

The mission of its schools and programs is to promote a culture of mastery, autonomy, and purpose for all stakeholders through personalized learning plans developed with insight and experience of learning styles, appropriate resources, and learning networks for success in work, life, and citizenship.
